

## Click on the 'Money For Life' Link

The following screen will appear

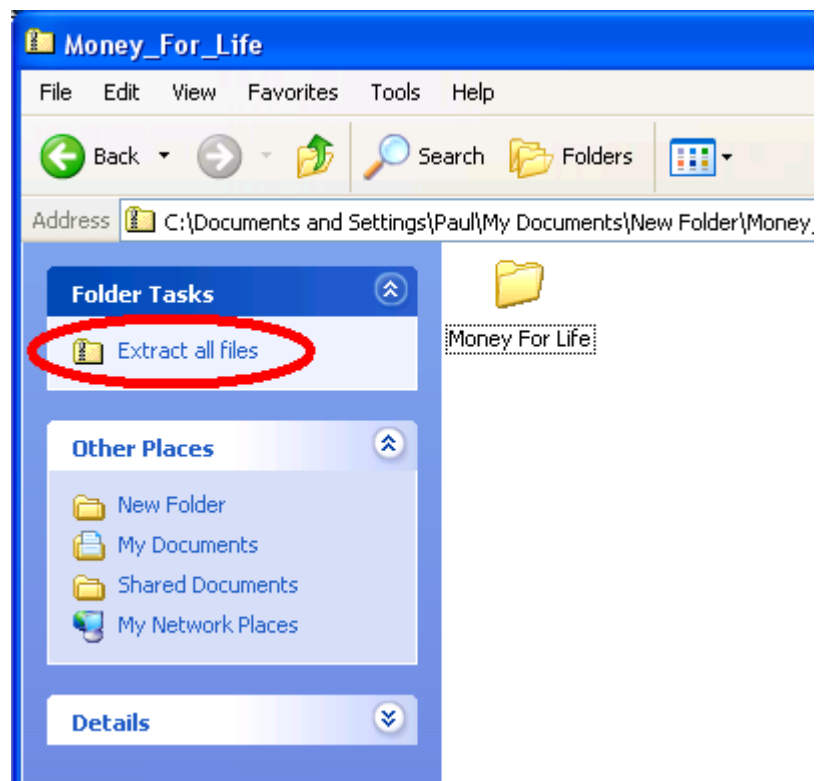

Click Save and choose your download location

When downloaded, double click on the zipped file

A window with the zipped files contents will open. You can click Extract all files or drag the files out of the window to the desired location (example: the desktop).

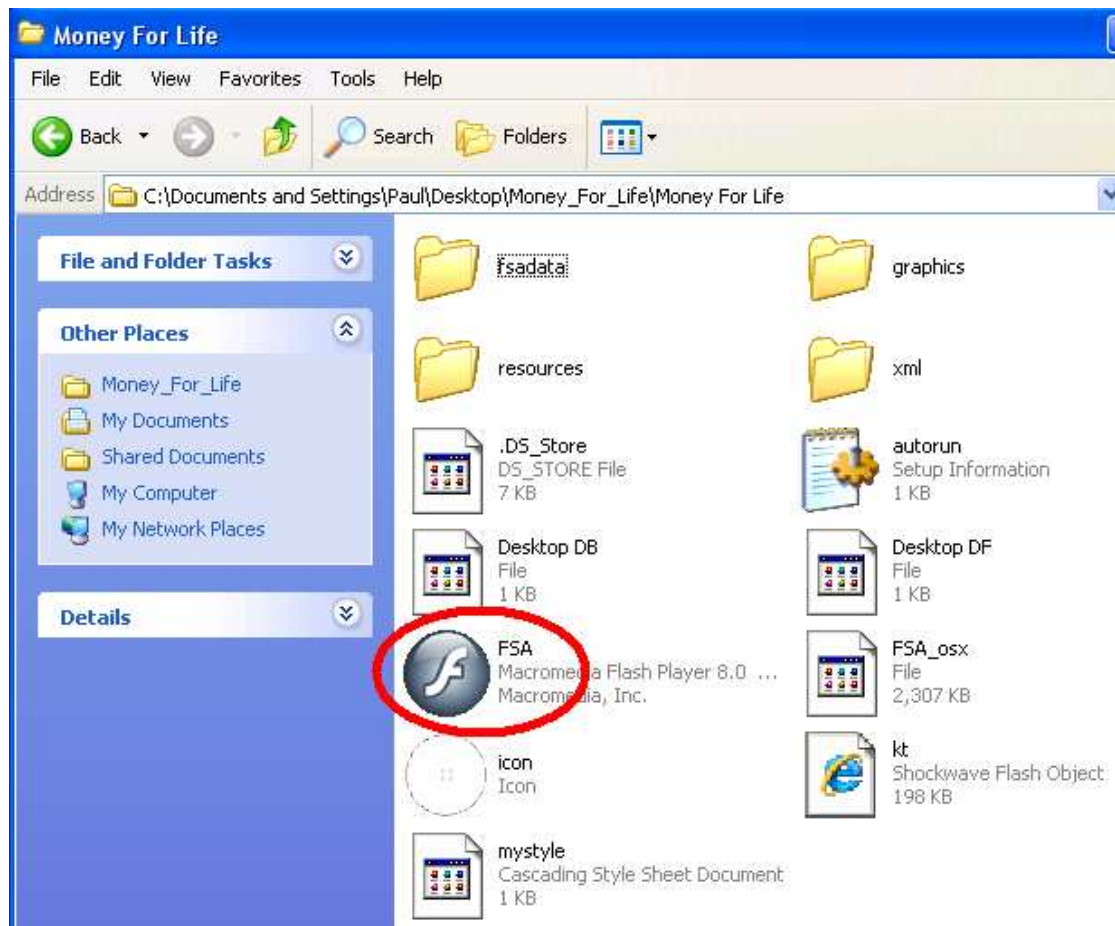

Double click the unzipped 'Money for Life folder

Money For Life

and look for the 'Flash Macromedia icon' titled FSA

Double click the icon and the program will start.

Note: All the contents of the 'Money For Life' folder are required for the program to run and must remain inside the folder.
